Welcome

The Australasian Fleet Management Association’s (AfMA) Fleet Leadership Summit is the largest gathering of fleet professionals in Asia Pacific. With several hundred individuals who own, control or influence over 1 million vehicles, it offers a unique platform for sharing knowledge, enhancing safety, efficiency, and environmental sustainability, whilst providing an opportunity to foster the next generation of fleet practitioners.

This Fleet Leadership Summit is not just about individual advancement but about making a collective difference. It’s an ideal setting for us to come together, learn from each other, and drive meaningful change across the industry.

The theme for the 2024 Fleet Leadership Summit is “Making a Difference Together” and is scheduled for May 21-22 at Rosehill Gardens Racecourse, Sydney Australia.

TWO DAYS OF IMERSIVE EDUCATION & LEADERSHIP DEVELOPMENT

Operating over two days, the Fleet Leadership Summit provides an immersive learning opportunity, combined with personal and professional development.

There is a third day for some! Special industry groups meet the day prior to the Summit, whilst overseas and interstate fleet managers are likely to be invited to a Leaders of Industry Dinner the night before the Summit.

‘29 years as the peak industry body - linking people & knowledge, creating outcomes’

SCHEDULE OVERVIEW

Monday May 20th

(Invite only)

- Diploma of Leadership & Management, face to face learning for participants
- Utilities Forum 2.0 (NRSPP & AfMA)
- National Police Fleet Group
- Fleet Management Benchmarking Improvement Group (FMBIG)
- Leaders of Industry Dinner

Tuesday May 21st

(Conference ticket required)

- Australasian Fleet Education & Leadership Summit
- Electric Vehicle – Ride and Drive
- CPR Training
- 2024 Industry Dinner & Fleet Awards Presentation

Wednesday May 22nd

(Conference ticket required)

- Australasian Fleet Education & Leadership Summit
- Electric Vehicle – Ride and Drive
- CPR Training
- Bus transport to domestic and international airports

New to 2024 Australasian Fleet Education & Leadership Summit

Ride & Drive

A highlight of the 2024 Australasian Fleet Education & Leadership Summit, facilitated by **Eagers Automotive**

In an exciting new addition to this year's agenda, the 2024 Australasian Fleet Education & Leadership Summit, proudly introduces the Ride & Drive Event in collaboration with Eagers Automotive. This innovative experience offers attendees an exclusive opportunity to test drive the latest electric vehicles (EVs) from a diverse range of leading manufacturers.

Event Highlights:

Exclusive EV Test Drives: Take the wheel of the most advanced electric vehicles on the market. This is your chance to experience the latest in EV technology, performance, and sustainability.

Diverse Range of Vehicles: Our selection showcases the latest models from multiple brands, offering a comprehensive glimpse into the electric future of the automotive industry.

Personalised Driving Sessions: Each participant will have 20 minutes to fully engage with the driving dynamics of their chosen EV, providing a deep dive into what makes these vehicles the future of driving.

Booking Information:

Details on how to book your Ride & Drive session will be provided closer to the event.

FREE CPR Course

In an exciting collaboration with Community First Responders Australia (CFRA), we are thrilled to extend a unique opportunity to our attendees. As part of our commitment to fostering safety and preparedness within the community, we're offering a Free CPR Course to the first 60 delegates who express their interest.

Course Highlights:

- **Accredited Certification:** Successful completion of the course, including an hour of online pre-work and a one-hour class session at the summit, earns you a recognised certificate.
- **Two Convenient Class Sessions:** To accommodate our delegates, we're hosting two sessions – 30 spots available on Day 1, May 21 and another 30 on Day 2, May 22.
- **Expert Instruction:** Delivered by experienced professionals from CFRA, ensuring you receive high-quality training.

About Community First Responders Australia (CFRA): CFRA is at the forefront of community wellbeing and lifesaving initiatives, working hand-in-hand with Ambulance services across Australia under the GoodSAM response model. With a focus on accredited training, state-of-the-art defibrillators, and emergency equipment, CFRA aims to reinforce community and business readiness for any emergency situation.

Spaces are limited and available on a 'first come, first served' basis. Confirmed participants will receive further instructions and access to the online pre-work as the event approaches. Don't miss this unique opportunity to enhance your emergency response capabilities and make a difference in critical situations.

How to Register: Details on how to book the free CPR Course will be provided closest to the event.

7.00am	Registration Opens	ROOM NO.
8.20am	Conference Welcome Welcome Speech, Event Partner & AfMA Executives
